EXPERIENCE

SEVEN VILLA HOTEL & SPA

CONNECT

Poison Ivy – Cognac, Champagne and Cigar lounge. Revel in a world of elegance and contemporary style, it's rightly famous for its superb cigar collection and slow sipping drinks. In addition to an edited champagne list, the lounge has a great selection of spirits and wine.

RELAX

Escape the hustle and bustle of everyday life. Take time out and immerse yourself in our lush garden, a natural sanctuary tucked away, where you can ease into a slower pace. A space that calms the nerves and relieves stress.

We take great pride in our hotel, re-imagining luxury through inspiring experiences and spaces. Anton Smit's sculptures complements our vision and can be found around the hotel and gardens. His use of monumental shapes - raw and earthy power that feels innately African truly complements the aesthetic of the hotel and provides an engaging and dynamic visual experience. Pause and Enjoy.

UNWIND

Our gorgeous, intimate pool area is located next to the spa and is the perfect respite. Lounge and take it all in on our superb day beds and take a dip in our lap pool to cool off.
